

2024 Lenten Prayer

**Abba Father.
You are the God
who disrupts our lives
with an invitation.**

**During this season of Lent,
May we stop and abide
in your rhythms of life.**

**Reveal in us that which leads
to brokenness and death.
Forgive our sin.**

**Make in us new and contrite hearts.
Form us into your image
That we may live out blessing.
Amen.**
