

Discovery Questions – A Sign

1 Corinthians 10:1-13

Instructions: A life group is a spiritual family. It is a time of mutual discussion, invitation, and growth together alongside the Holy Spirit. It's good to begin with prayer and 1-2 ice breaker questions to prime the pump and get to know one another. Then, after reading the Scriptures, **pick the questions that are of most interest to your group**. Make sure to conclude with a couple of application questions to live out our mission together. Finish with some time to care for one another and pray together.

Ice Breaker Question (pick 1-2 questions)

1. Just for fun, what are some funny signs you have seen? (Maybe do a Google search)
2. What do you think are the most alluring temptations in our society?
3. What is a challenge you are facing right now?
4. What is one thought or idea from Sunday's message that especially intrigued, provoked, disturbed, challenged, encouraged, warmed, warned, helped, or surprised you?

Read and discuss 1 Corinthians 10:1-13

1. Have someone summarize this passage in their own words.
2. What stands out to you in this passage?
3. How is the warning in 10:1-13 connected to the previous paragraph (9:24-27) where Paul urges the Corinthian believers to run for "The Prize"?
4. Read 10:13 again.
 1. What is this verse saying? What is it NOT saying?
 2. How do you think this passage could be (has been) misinterpreted?
5. What do you learn about God in this passage?
6. What do you learn about people in this passage?

Application

1. Pastor Don mentioned that God chooses to work through a community of people. Do you have someone to walk with and be vulnerable with in your temptations and struggles? If not, is there a counselor you could see?
2. What are some ways you specifically live out this passage in the next few days? (Have each person create an 'I Will...' statement)
3. How can you bless someone else as a result of this Scripture and discussion?
4. How can our group bless someone in response to this Scripture and discussion?

Pray Together
